

I HAVE AN IDEA FOR YOU!

I = INCOME FOR LIFE, INCREASE IN INCOME

D = DEDUCTIONS, INCOME AND GIFT AND ESTATE TAX

E = ESCAPE ESTATE TAX, AND IF NONE, EXEMPT
PRODUCTION OF INCOME

A = AVOID CAPITAL GAIN, OR REDUCE IT, OR PAY IT ON
INSTALLMENTS

WHY IS THIS GOOD?

IT IS "IDEAL"

L = LARGELY TAX-FINANCED THROUGH DEDUCTIONS,
AVOIDANCE OF GAIN TAX, AND EXEMPT FROM INCOME
TAX OR DEFERRED INCOME TAX
